# A-level PSYCHOLOGY

## Paper 1 Introductory topics in psychology

Monday 18 May 2020

Afternoon

Time allowed: 2 hours

### Materials

For this paper you may use:

- a calculator.

### Instructions

- Use black ink or black ball-point pen.
- Fill in the boxes at the top of this page.
- Answer **all** questions.  
You must answer the questions in the spaces provided. Do **not** write outside the box around each page or on blank pages.
- If you need extra space for your answer(s), use the lined pages at the end of this book. Write the question number against your answer(s).
- Do all rough work in this book. Cross through any work you do not want to be marked.

### Information

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 96.
- Questions should be answered in continuous prose. You will be assessed on your ability to:
  - use good English
  - organise information clearly
  - use specialist vocabulary where appropriate.

**Section A****Social influence**Answer **all** questions in this section.Only **one** answer for each question is allowed.

For each question completely fill in the circle alongside the appropriate answer.

CORRECT METHOD

WRONG METHODS

If you want to change your answer you must cross out your original answer as shown.

If you wish to return to an answer previously crossed out, ring the answer you now wish to select as shown.

**0 1** Which **one** of the following is most associated with informational social influence?Shade **one** box only.**[1 mark]****A** It is an emotional, rather than cognitive, process.**B** It is based on a desire to be liked, rather than a desire to be right.**C** It is more likely to lead to a permanent, rather than temporary, change in attitude.**D** It occurs in unambiguous situations, rather than those where there is no obvious answer.

0 2

In a sixth form debating society, Samina is the only student in a group of six who does not believe that drugs should be legalised.

Using your knowledge of minority influence processes, explain **two** ways in which Samina could convince the other students in the debating society to agree with her.

0 4

It is the end of the school day and Freddie is pushing other students in the bus queue.

“Stop it, will you?” protests one of Freddie’s classmates.

“You can’t tell me what to do!” laughs Freddie.

At that moment, Freddie turns to see the deputy head, wearing a high-visibility jacket, staring angrily at him. Without thinking, Freddie stops pushing the other boys and waits quietly in line.

Discuss the legitimacy of authority **and** agentic state explanations of obedience.  
Refer to Freddie’s behaviour in your answer.

**[16 marks]**

**Section B****Memory**

Answer **all** questions in this section.

0 5

Which type of long-term memory would be most associated with the following?

Write the correct type of long-term memory in the spaces provided.

0 5 . 1

Stored with reference to contextual information, eg time and place

**[1 mark]**

---

0 5 . 2

Difficult to describe in words

**[1 mark]**

---

0 5 . 3

Knowing the meaning of a word

**[1 mark]**

---

A researcher investigated retrieval failure using an independent groups design.

In **Condition A**, 10 participants learnt 30 words and recalled them in the same room.

In **Condition B**, another 10 participants learnt the same 30 words in one room and recalled them in a different room.

The results for **Condition B** are shown below.

**Table 1**

<b>Participant</b>	1	2	3	4	5	6	7	8	9	10
<b>Number of words recalled</b>	9	11	8	28	14	13	9	15	10	12

The researcher decided to use the mean to analyse the results.

0 6

State **one** advantage of an independent groups design.

[1 mark]

---

---

---

0 7

Suggest a more appropriate measure of central tendency for this data set **and** explain why it would be more appropriate.

**Section C**

**Attachment**

Answer **all** questions in this section.

**1 1**

Nine-year-old Annie asks her mother, "What was I like as a toddler?"

"Oh, you could be a bit difficult," Annie's mother replies. "You used to scream when I left you at nursery. When I returned to pick you up, you would run towards me and then push me away."

**1 1 . 1**

Identify the attachment type that Annie's mother is describing.

**[1 mark]**

---

---

---

**1 1 . 2**

Distinguish between **two other** types of attachment.
