# GCSE LATIN

## 1 INTRODUCTION

### 1.1 Aims and objectives

The WJEC Eduqas GCSE in Latin aims to provide a foundation in linguistic and cultural competence, enabling learners to gain knowledge and understanding of the Roman world through reading and responding to its language and literature.

In particular, this specification enables learners to:

- develop and deploy their knowledge of vocabulary, morphology and syntax in order to read, understand and interpret straightforward Latin
- develop their knowledge and understanding of Latin literature and its associated values and society through the study of original texts, adapted and abridged as appropriate
- select, analyse and evaluate evidence to draw informed conclusions from the literature studied to
- demonstrate knowledge and understanding of the historical, literary and cultural context of a text and
- identify and appreciate its literary form and impact on the reader
- develop and apply their critical, analytical and reflective skills to evaluate evidence from a range of sources
- develop insights into the relevance of the Latin language, its literature and Roman culture to the modern world.

It also encourages learners to:

- deploy their knowledge and understanding of the ancient language to deepen their understanding of English and other languages
- relate their knowledge and understanding of the ancient world to other disciplines
- develop research and analytical skills which will empower them to become independent students and enquirers, equipping them for further study in arts, humanities and sciences.

This specification recognises that learners reach the GCSE standard in Latin through many different routes and amounts of access to learning and teaching time. It therefore aims to allow centres and learners as many opportunities as possible to design courses which most appropriately suit their needs and interests. As this is a non-tiered assessment, WJEC is aware of the need to satisfy the interests of the whole ability range.

## 1.2 Prior learning and progression

This specification builds on subject content which might be taught at key stage 3. However there are no prior learning requirements for this specification. Any requirements set for entry to a course based on this specification are at the school/college's discretion.

It provides a suitable foundation for the study of Latin at AS, A level, IB or Pre-U. In addition, the specification provides a coherent, satisfying and worthwhile course of study for learners who do not progress to further study in this subject.

## 1.3 Equality and fair access

This specification may be followed by any learner, irrespective of gender, ethnic, religious or cultural background. It has been designed to avoid, where possible, features that could, without justification, make it more difficult for a learner to achieve because they have a particular protected characteristic.

The protected characteristics under the Equality Act 2010 are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The specification has been discussed with groups who represent the interests of a diverse range of learners, and the specification will be kept under review.

Reasonable adjustments are made for certain learners in order to enable them to access the assessments (e.g. candidates are allowed access to a Sign Language Interpreter, using British Sign Language). Information on reasonable adjustments is found in the following document from the Joint Council for Qualifications (JCQ): *Access Arrangements, Reasonable Adjustments and Special Consideration: General and Vocational Qualifications*.

This document is available on the JCQ website ([www.jcq.org.uk](http://www.jcq.org.uk)). As a consequence of provision for reasonable adjustments, very few learners will have a complete barrier to any part of the assessment.

## 2 SUBJECT CONTENT

This qualification is devised in accordance with the subject content laid down by the Department for Education and the technical guidance from Ofqual. It consists of two compulsory components (Components 1 and 2) and one further component from a choice of two (Components 3A and 3B).

### 2.1 Component 1

#### Latin Language

Written examination: 1 hour 30 minutes

50% of the qualification

100 marks

In this component learners should be able to:

- recognise and use the accidence and syntax listed in Appendix B
- show knowledge of and make accurate use of the vocabulary in the Latin-English Defined Vocabulary List (DVL)
- translate a passage of Latin prose (confected or adapted) into English accurately
- comprehend a passage of Latin and answer questions in English on it
- demonstrate knowledge of the derivation links between Latin and English
- translate short sentences from English into Latin using the prescribed DVL and the prescribed syntax and accidence

OR

- recognise, analyse and explain the prescribed syntax and accidence (as listed in Appendix B) within a short passage of Latin.

This component consists of two compulsory sections, in which learners respond to unseen material.

**Section A:** this takes the form of a momentum test consisting of a narrative in Latin divided into three passages. There are comprehension questions on parts one and three (totalling 55% of the marks for this paper), and the middle part is to be translated into English (35%). There is an incline of difficulty between parts one and three and within the passage to be translated.

There is a Defined Vocabulary List of 440 words in Appendix A. Any other words appearing in the narrative will be glossed. A set of grammatical structures with which learners are expected to be familiar is given in Appendix B.

Section A accounts for 90% of the marks in this component.

**Section B:** this offers the choice between:

- a translation from English into Latin of a small number of simple (single-clause) sentences. The vocabulary and accidence required for this option are given in Appendix A and Appendix B.
- the recognition, analysis and explanation of syntax and accidence within a short passage of Latin. The grammatical structures required for this option are given in Appendix B.

Section B accounts for 10% of the marks in this component.

## 2.2 Component 2

### Latin Literature and Sources (Themes)

Written examination: 1 hour 15 minutes

30% of the qualification

60 marks

In this component learners should be able to:

- demonstrate knowledge of the prescribed passages and accompanying source material
- select, analyse and respond to aspects of literary style including such elements as:
  - choice of words and word order
  - sound effects
  - rhythm in verse passages
  - common literary devices (such as simile, metaphor, alliteration, assonance, asyndeton and chiasmus)
- show awareness of the cultural and social context of the prescribed material.
- select and evaluate evidence from throughout the theme to respond to an extended evaluative question.

Each theme, comprising both prose and verse, is accompanied by a selection of prescribed ancient source materials (e.g. paintings, mosaics, sculptures, buildings, graffiti) on which one or more questions will be asked.

There will be a choice of two themes in any session.

- Themes to be examined in **2021**, **2022** and **2023** are *Travel by Land and Sea* and *Superstition and Magic*.
- Themes to be examined in **2024**, **2025** and **2026** are *Romans in the Countryside* and *Love and Marriage*.

Each theme will be examined for three sessions. A resources booklet which contains all the prescribed material can be found on the WJEC Eduqas website.

This is an open-book examination (i.e. in the examination room learners will be provided with a clean copy of the resource booklet by WJEC).

At least one question demands an extended evaluative response using material from across the chosen theme. In their extended responses, learners should demonstrate their ability to construct and develop a sustained line of reasoning which is coherent and logically constructed, containing relevant evidence from across the whole theme.

## 2.3 Component 3

**EITHER 3A: Latin Literature (Narratives)**

**OR 3B: Roman Civilisation**

Written examination: 1 hour

20% of the qualification

40 marks

In **Component 3A** learners are assessed on their ability to understand, analyse and evaluate a passage or passages of Latin literature which form a narrative, together with a passage or passages of narrative in English which extend the storyline.

- demonstrate knowledge of the prescribed passages in Latin and English
- select, analyse and respond to aspects of literary style including such elements as:
  - choice of words and word order
  - sound effects
  - rhythm in verse passages
  - common literary devices (such as simile, metaphor, alliteration, assonance, asyndeton and chiasmus)
- show awareness of the cultural and social context of the prescribed material.
- select and evaluate evidence from throughout the narrative to respond to an extended evaluative question.

There will be a choice of two narratives, one prose and one verse. Each narrative contains a continuous passage of Latin and approximately the same amount in an English translation.

- Authors to be examined in **2022** and **2023** are Ovid (*Ceyx and Alcyone*, in Latin and English) and Tacitus (*Boudica*, in Latin and English).
- Authors to be examined in **2024** and **2025** are *Suetonius (Nero)*, in Latin and English) and Ovid (*The Adventures of Perseus*, in Latin and English).

Each prescription will be examined for two sessions. A resources booklet which contains all the prescribed material can be found on the WJEC Eduqas website.

This is an open-book examination (i.e. in the examination room learners will be provided with a clean copy of the resource booklet by WJEC).

At least one question demands an extended evaluative response using material from across the chosen narrative. In their extended response, learners should demonstrate their ability to construct and develop a sustained line of reasoning which is coherent and logically constructed, containing relevant evidence from across the whole narrative (Latin and English).

In **Component 3B** learners should be able to:

- demonstrate knowledge of an aspect of Roman civilisation
- analyse and respond to ancient source material
- evaluate evidence from throughout the topic to respond to an extended evaluative question.

In each session two aspects of Roman civilisation are prescribed with five guided areas of study with further detail. No specific ancient source materials are prescribed but a wide range of such materials is available on the WJEC Eduqas and Cambridge School Classics Project websites. Examiners will draw on both this material and other similar source materials in setting questions. Topics for the sessions in 2021, 2022 and 2023 are *Daily Life in a Roman Town and Roman Britain*. Each topic will be examined for three sessions. Details of the topics and their areas of study are given in Appendix C.

At least one question demands an extended evaluative response using material from across the chosen topic. In their extended responses, learners should demonstrate their ability to construct and develop a sustained line of reasoning which is coherent and logically constructed, containing relevant evidence from across the whole topic.

# 3 ASSESSMENT

## 3.1 Assessment objectives and weightings

Below are the assessment objectives for this specification. Learners must demonstrate their ability to:

### AO1

Demonstrate knowledge and understanding of the Latin language

### AO2

Demonstrate knowledge and understanding of Latin literature and/or other ancient sources

### AO3

Analyse, evaluate and respond to Latin literature and/or other ancient sources

The table below shows the weighting of each assessment objective for each component and for the qualification as a whole.

	<b>AO1</b>	<b>AO2</b>	<b>AO3</b>	<b>Total</b>
<b>Component 1</b>	50%	-	-	50%
<b>Component 2</b>	-	15%	15%	30%
<b>Component 3A/3B</b>	-	10%	10%	20%
<b>Overall weighting</b>	<b>50%</b>	<b>25%</b>	<b>25%</b>	<b>100%</b>

10% of AO1 is attributed to translation into Latin or the permitted alternative.

## 4 TECHNICAL INFORMATION

### 4.1 Making entries

This is a linear qualification in which all assessments must be taken at the end of the course. Assessment opportunities will be available in the summer series each year, until the end of the life of this specification. Summer 2018 will be the first assessment opportunity.

A qualification may be taken more than once. Candidates must resit all examination components in the same series.

The entry codes appear below.

The current edition of our *Entry Procedures and Coding Information* gives up-to-date entry procedures.

### 4.2 Grading, awarding and reporting

GCSE qualifications are reported on a nine point scale from 1 to 9, where 9 is the highest grade. Results not attaining the minimum standard for the award will be reported as U (unclassified).

## APPENDIX A

#### General

Learners are expected to be familiar with all the words in the Defined Vocabulary List (DVL). Words used in the Momentum Test (Section A of the paper) will be glossed if they do not appear in the DVL. In addition, if a word is used with a meaning not given in the DVL, it will be glossed. For Section B, in the grammar question, all the words will be taken from the DVL.

#### Compound verbs

Learners are expected to be familiar with common compounds of simple verbs given in the DVL which are formed by adding one of the prefixes included in the DVL, and where the basic meanings of the prefix and stem are retained. This includes regular vowel changes in the verb stem and consonantal changes in the prefix.

#### Adjectives
