1. Introduction

The Standards and Testing Agency (STA) is responsible for the development and delivery of national tests and assessments. STA is an executive agency of the Department for Education.

The 2019 tests assess the national curriculum. This test has been developed to meet the specification set out in the <u>test framework</u>¹ for English grammar, punctuation and spelling at key stage 1.

This key stage 1 English grammar, punctuation and spelling test is not statutory. The key stage 1 tests can be marked internally within schools to inform teacher assessment. The evidence from the test can be used to help inform teacher assessment of writing.

A new test and new mark schemes will be produced each year.

Scaled score conversion tables are not included in this document. Conversion tables will be produced as part of the standards maintenance process. <u>Scaled score conversion tables</u>² for the 2019 tests will be published in June 2019.

The mark schemes are provided to use when marking pupils' responses. The pupil examples are based on responses gathered from the test trialling process.

2. Structure of the test

The key stage 1 English grammar, punctuation and spelling test materials comprise:

- Paper 1: spelling (20 marks)
- Paper 2: questions (20 marks).

3. Content domain coverage

The 2019 test meets the specification in the test framework. Tables 1 and 2 set out the areas of the content domain that are assessed in Papers 1 and 2.

4. Internal moderation procedures

We recommend those who are involved in marking the key stage 1 tests undertake moderation activity to ensure marking is consistent across their school.

This information is provided in the mark schemes in Table 1.

5.2 General marking guidance for Paper 1: spelling

The following guidance applies to all questions in Paper 1. Please read this carefully before applying the individual mark schemes.

- If a pupil makes more than one attempt, it must be clear which answer the pupil wishes to be marked.
- If a pupil makes two or more attempts and it is not clear which answer should be considered, the mark is not awarded.
- Pupils can answer in upper or lower case, or a mixture of the two. The exception to this is for days of the week, which must be written with an initial capital letter for the mark to be awarded.
- If a pupil has answered with the correct sequence of letters but has incorrectly inserted an apostrophe or a hyphen, the mark is not awarded.
- If a pupil has answered with the correct sequence of letters but these have been separated into clearly divided components, with or without a hyphen, the mark is not awarded.
- If a pupil uses a reversed letter, it must be unambiguous for the award of the mark. Markers may refer to the pupil's handwriting in the rest of the paper to decide whether or not the letter is ambiguous.
- Crossed-out answers that have not been replaced by a further attempt should not be awarded the mark.

7.2 General marking guidance for Paper 2: questions

To ensure consistency of marking, the most frequent procedural queries are listed in Table 3, along with the action you should take. The following guidance applies to all questions in Paper 2. Please read this carefully before applying the individual mark schemes.

Question type	Accept	Do not accept
Tick boxes and tables	 any unambiguous indication of the correct answer, e.g. the box is crossed rather than ticked the correct answer is circled rather than ticked correct answers that replace a crossed-out attempt 	 answers in which more than the required number of boxes have been ticked
Circling of the answer	 any unambiguous indication of the correct answer, e.g. the answer is underlined the answer is enclosed within a box 	 answers in which more than the required number of words have been circled answers in which the correct answer is circled, together with more than half of any surrounding words
Drawing lines to 'match' boxes	 lines that do not touch the boxes, provided the intention is clear 	 multiple lines drawn to/from the same box (unless this is a question requirement)
Writing or inserting punctuation	 correctly formed punctuation that is clear, unambiguous and recognisable as the required punctuation mark 	 punctuation that is ambiguous, e.g. it is unclear whether the mark is a comma or full stop

Question type	Accept	Do not accept
Additional punctuation	 answers that are punctuated correctly according to the mark scheme, even if additional punctuation has been attempted incorrectly Pupils may try to use inverted commas around spoken words. This is beyond the key stage 1 programme of study and should not be taken into account when considering whether the answer is correct according to the mark scheme. 	answers that do not meet the mark scheme criteria
Spelling (in Paper 2 only)	 incorrect spellings of the correct answer, unless specific mark scheme guidance is given to require a correct spelling 	 incorrect spellings of answers for which the mark scheme requires correct spelling For questions assessing contracted forms, verb forms, plurals, prefixes and suffixes, correct spelling is generally required.
Answers outside the expected space	 a correct answer given somewhere other than the answer space, provided it is not contradicted by another answer written elsewhere correct answers that are written in the 'blank' within a question, rather than in the expected space below it correct answers in which the pupil has written out a word or sentence that is already provided 	 answers that are given outside the expected space and are contradicted by another answer written elsewhere
More than one answer given	 multiple answers that are all correct according to the mark scheme 	 both correct and incorrect responses given

Question type	Accept	Do not accept		
Handwriting	 answers that are clear, unambiguous and recognisable, including letters that have been reversed, but which are still clearly identifiable to the marker 	 answers that are unclear or ambiguous 		
Capital letters	 capital letters that are clear and unambiguous Where letters do not have unique capital letter forms, the height of the capital letter will be the same as, or greater than, that of letters with ascenders. Markers may refer to the pupil's handwriting in the rest of the paper to distinguish between upper and lower case letters. 	 answers in which capital letters are omitted or placed inappropriately in a sentence, or where an entire word is capitalised Where a pupil needs to write, rewrite or complete a sentence, the correct use of capital letters is required. 		
Crossed-out answers	 correct answers that replace a crossed-out attempt 	crossed-out answers		

7.3 Explanation of the mark schemes for Paper 2: questions

Those marking the tests should familiarise themselves with the marking guidance in section 7.2 of this document before applying the mark schemes.

The practice questions are not marked as they are completed by the pupils together with the test administrator as an introduction to the test.

The mark schemes contain the following information for each question:

- the question number
- the question from the test paper
- what is required to answer each question either a correct answer or examples of different types of creditworthy response
- how many marks are available for this question
- any additional guidance that may be relevant.
